Rail closures

Rail passengers across Yorkshire are being encouraged to check before travelling by train as part of the main rail route linking Leeds and York closes.

Thirty-two days of engineering works are taking place in the area around Church Fenton in North Yorkshire, as part of the Transpennine Route Upgrade (TRU).

From 25 December to 3 January, no trains will run on that route between the two cities, with a diversion in place from 4 January to 25 January.
